

OUR EAL CONSULTANTS

We are a highly qualified team of EAL consultants with experience across schools and further and higher education institutions. We also deliver training at national and international conferences.

The quality of our work has been recognised by OFSTED and DfE projects e.g. London Challenge.

Our partners include:

- London Leadership Strategy
- NALDIC
- REAL Project

Our key strengths are our reliability and flexibility to design bespoke training and consultancy.

Hounslow Language Service Ltd is an experienced EAL/ESL Service with a national and growing international reputation.

We support schools with all aspects of EAL through training and consultancy that will raise the standard of listening, speaking, reading and writing of all your pupils with a particular focus on EAL pupils.

We will build confidence and expertise in EAL for your staff and help you meet your language and learning targets.

WHAT WE OFFER

Our training benefits all your staff and children and we develop school leadership on all aspects of EAL:

EAL school audits, school development and training plans

Training for all school staff and departments, EAL co-ordinators, staff new to EAL and support staff e.g. TAs

Developing and planning for an inclusive curriculum, partnership with parents and community cohesion

EAL Assessment tool on Excel

EAL Quality Assurance Award

Mother Tongue Assessments/ GCSE/AS/A Level Support in over 20 languages.

Comments from Training Courses

"The skills and knowledge offered by this course will be put to direct use" (Certificate)

"My school is now able to include EAL in the School Development Plan" (Primary EAL Course)

"It was the best training course we have had." (Thurrock)

"All the class really benefited from my literacy support materials and methods!" (Ealing)

"I gained insights into what it is like to be a bilingual new arrival and how school can make a difference" (TA Course)

"I feel much more confident supporting my EAL pupils." (Secondary LILAC)

EAL TRAINING AND DEVELOPMENT COURSES

Our courses help to embed good practice and raise standards :

- Beginners in English
- Advanced EAL learners
- EAL Assessment and target-setting
- Developing grammar and vocabulary in academic writing
- Language of Maths
- Transition to school for Early Years EAL pupils
- Developing Academic Language across the Curriculum:
- Language in Learning across the Curriculum (LILAC).
